Your repair carries a Limited Lifetime Warranty. Your vehicle is automatically covered the moment you take delivery and is in effect for as long as you own the vehicle.

To provide you with added protection your repair is registered with the Automotive Customer Relations Bureau (ACRB), a consumer protection company. A week or two may be required for processing. Once registration is complete your warranty will be mailed directly to you. This slight processing delay does not limit or affect your coverage in any way.

Should you experience any problem before you receive your registered warranty just give us a call.
